[For the Roundabout.]
Law.

Nature is the highest law,
Perfect, true, without a flaw;
Writ by her almighty hand
On the heavens, sea and land;
Fading not with passing time,
Manifest in every clime;
Never changing, holding fast,
Is to-day as in the past;
Written in no printed book,
Yet is read in every nook;
And that law of man which bends
Otherwise than to her ends,
Courts destruction and a curse
From an angered universe.

The City vs. the State.

That the relations existing between the city of Frankfort and the State should be of the most cordial character, in view of the natural and permanent wants of the city, is scarcely a debatable question.

It was said, during the last Legislature, and admitted by some of our most prominent citizens, that at that time the citizens exhibited a marked indifference to questions of capital appropriation and capital removal. This, with the action of our county Representative, lost the best opportunity that has been offered for years of getting a liberal appropriation for completion of the capital building.

Lexington was prepared to move for such appropriation and Louisville stood ready to back it up.

But the day of opportunity was lost, and instead a reactionary feeling against Frankfort took its place—a strong under current of hostility, and few were found who were willing to say anything good for our city.

In this emergency the Common Council seems disposed to erect a hostile barrier between the State and Frankfort.

The Custodian of Public Buildings was proceeding to repair and renew the brick pavement in front of the Capitol—all the power he possessed under the law—when he was served with notice to hold up the work till the authorities should determine the character of pavement to be constructed. Of course, he paid no attention to the notice, under advice of the Governor.

The Board of Commissioners of the Feeble-Minded Institute, acting for the State, and impelled by a law suit, and a libel action, offered to pay off the cost of a public sewer down East Main and East Market streets to the inlet at L. & N. depot. The Council declined the proposition.

The Commissioners then asked

permission to build a twelve inch pipe sewer down the same route, at State cost, and to give the city free drainage for the damaging surface water of pike and street—the city not contributing one cent to its construction.

This permission was also refused unless the sewer was made a public sewer to be tapped by any one with the Council's permission.

This condition, disastrous to the proper maintenance of the sewer, could not be accepted by the Commissioners.

So the State is shut out of a very reasonable privilege, needed by it in a very grave emergency.

And yet, our people will apply for a capital appropriation and oppose capital removal; and the city will ask for an appropriation to pay half the cost of the brick street in front of the Capital grounds, and for other favors.

How can they expect to get them when the city creates obstruction tending to an unfriendly attitude? The case seems to us hopeless.

Another Frankfort Boy Heard From.

During the excitement of the war we lost sight of the fact that another Frankfort boy was in the Navy besides those heretofore mentioned. By a clipping from a Tampa, Florida, paper we learn that Paymaster Eugene Hall, formerly of the Rough Riders of the World, was in the hot little engagement between the U. S. S. Mangrove (converted yacht), and the Spanish gunboat Herman Cortes, in the harbor of Caybelen, Aug. 14, wherein the Cortes was captured. Paymaster Hall was conspicuous for his bravery along with the other Americans.

Mr. Hall has been ordered to the Philippines for duty.

When you call for DeWitt's Witch Hazel Salve we are greatful to you, don't accept anything else. Don't be talked into accepting a substitute, for piles, for sores, for burns. Tyler & Hemphill.

Miss Wilkins' New Serial is Humorous.

Miss Mary E. Wilkins' new serial is the humorous story of an up-to-

Royal makes the food pure,
wholesome and delicious.

ROYAL BAKING POWDER CO., NEW YORK.

There has never been and cannot be another exhibition, no matter what it has been called, that is in the remotest manner like Buffalo Bill's Wild West and Congress of Rough Riders of the World. There can be no description of it that does not give it every detail, and that is a task that is too great to be undertaken in one newspaper article. It must be seen to be understood, and once seen—and the oftener seen—it is certain to be appreciated, when it is known that every Indian, cowboy and soldier is exactly what he represents himself to be. Its absolute genuineness is one of its greatest elements of attractiveness. It should be seen by every child.

Frankfort Boy Promoted.

We learn from a circular from the companies that our young friend, Mr. Ben H. Dudley has been appointed agent for the White, West Shore and Nickel Plate Lines, at Louisville.

Ben is a hustler from wayback and will make a number one agent. His friends here rejoice to learn of his promotion.

Miss Wilkins' New Serial is Humorous.

Miss Mary E. Wilkins' new serial is the humorous story of an up-to-

date city woman who attempts to reform a quiet village and educate the people up to the latest fads of the town. It is called "The Jamesons in the country," and its serial publication will be commenced in the next issue of The Ladies' Home Journal. It will have Mrs. Alice Barber Stephens as its illustrator.

Correcting the Mistake.

Major John M. Burke, of Col. W. E. Corly's Wild West Show, was in the city Thursday for the purpose of correcting the statement that Col. Corly was so ill as not to be able to travel with his great show. Col. Corly is well and hearty and exhibiting every day.

Will Probated.

The will of the late Jerome Weitzel was probated Monday. It was dated in 1890 and leaves everything he possessed to his wife, Mrs. Carrie Weitzel, during her life. At her death, and arrival of his youngest child of age, the estate is to be divided equally between his children.

How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a safe remedy in this country and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than any other cough medicine combined.—J. M. NICKLE, of Nickle Bros., merchants, Nickleville, Pa. For sale by J. W. Gayle.

Dr. Goldstein Coming.

Dr. Goldstein, the eminent optician of Louisville, will be at the Wright Hotel, Frankfort, Ky., this day, Oct. 13th, one day only. If your eyes are troubling you, now is the time to correct them with properly adjusted glasses. Delay is both costly and dangerous.

Try the Capital Steam Laundry for a clean shirt or collar. Telephone 17. 16-tf.

ANNOUNCEMENT.

We are authorized to announce Capt. T. J. HARDIN, of Owen county, as a candidate for Congress in this (the 1st) Congressional District, subject to the action of the Republican party.

Miles' whole wheat flour is not only health giving, but is more palatable than white flour. 3-tf.

Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years from dyspepsia, Mrs. H. E. Dugdale, wife of a prominent business man of Warsaw, N. Y., writes: "For 23 years, I was a constant sufferer from dyspepsia and a distressing attack. The pain produced distress, causing severe pain in the formation of gas. No matter how careful of my diet I suffered agonizing pain after eating. I was treated by many physicians and tried numerous remedies with no permanent help. Two years ago I began taking Dr. Miles' Nerve and Liver Pills and Nervine. Within a week I commenced improving, and persisting in the treatment I was soon able to eat what I liked, with no evil effects. I keep them at hand and a single dose dispels any attack of pain."

Dr. Miles' Remedies are sold in drugstores under a positive guarantee, first bottle bought or money refunded. Send for free sample of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

V. M. C. A. Day.

The arrangements for the observance of Sunday in the local churches and Association as a special Y. M. C. A. Day, mention of which was made in last week's issue, are now completed, and every feature of the day's program promises to be exceedingly interesting and profitable. The gentlemen who have kindly volunteered to come from Louisville and Lexington, and assist in the various services of the day, are not only pleasing and effective speakers, but also experienced and energetic workers in the Young Men's Christian Association, and their addresses ought therefore to be heard by every one interested in the welfare of the young men of our city. These visiting brethren have been invited by the pastors to speak at the regular church services, 11 a. m., as follows:

Mr. Archibald A. Hill, of Louisville, at Southern Presbyterian Church.

Rev. A. T. Robertson, D. D., of Louisville, at Baptist Church.

Mr. John L. Wheat, of Louisville, at Methodist Church.

Mr. Henry E. Rosevear, of Louisville, at First Presbyterian Church.

J. A. Stucky, M. D., of Lexington, at Christian Church.

At 3:30 p. m. a grand rally for men only will be held in the Y. M. C. A. gymnasium. Mr. H. E. Rossvear will have charge, and a stirring address "A Question Without An Answer," will be given by Dr. J. A. Stucky, a prominent Lexington physician. Special musical program. Prof. Wayland Graham will preside at piano. Violin solo by Mr. Louis Harris. Selection by male quartette.

A mass meeting, all churches uniting, will be conducted at 7:30 p. m. in the Baptist Church. Brief talks

by visiting speakers and other exercises. In many respects this will be the most interesting service of the day, and while members are urged to be present, yet let it be clearly understood that all citizens of Frankfort will be heartily welcomed. No collection will be taken for the Y. M. C. A. at any of the services.

Because of the evening union service, at which ladies as well as gentlemen are cordially invited to attend, the holding of a special women's meeting in the afternoon, as first announced, is deemed inadvisable.

Three Doctors in Consultation.

From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine. And then, if you are what we people tell you is best to be chosen the second place; what reason (i. e. Theory) says is best is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Congh Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and smarting almost instantly and its continued use effects a permanent cure. It also cures itch, barber's itch, scalp head, sore nipples, itching piles, chapped hands, chronic sore eyes and granulated lids.

Dr. Cadby's Condition Powders for horses are the best tonic, blood purifier and vermifuge. Price, 25 cents. Sold by J. W. Gayle and LeCompte & Gayle Co.

BUCKLEN'S ARNICA SALVE.

A terrible storm raged along the Georgia and South Carolina coast on Sunday, commencing at 3 o'clock that morning and continuing until 6:30 o'clock that evening. Great damage to property resulted though, happily, but little loss of life occurred.

Leave Us.

Mrs. T. M. Turner, who has been here closing up the affairs of the Old Dudley Institute, has returned to her old home in Virginia, but later will join Prof. Turner in Fitzgerald, Georgia, where he is engaged in a large school. In the removal of this most estimable couple from the city Frankfort suffered a great loss, especially that portion of the city in which they lived for they were most excellent neighbors—kind and considerate—and the many friends they left here will ever be glad to hear of their prosperity in the future.

The Frankfort Roundabout

Entered at the post office at Frankfort, Kentucky, as second-class mail matter.

GEO. A. LEWIS, Editor and Publ.

FRANKFORT, OCTOBER 8, 1898.

Visits Home.

Mr. Will T. Reading, Jr., Third Kentucky Volunteers, now stationed at Lexington, was at home Thursday. This is his first visit home since his enlistment.

The Street Fair.

Prof. E. T. Sison, the organizer and manager of street fairs, has been in the city this week trying to arrange for a street fair. He proposes to have the fair the first week in November.

A Block of Business Houses.

Messrs. Finch Brothers have commenced the erection of a frame business house on their lot on the west side of Bridge street, and will shortly follow it up with several more of the same kind.

Gone to Their Farm.

Mr. George H. Watson and family have removed to their new home at famous "Besque Bonita," near Versailles, Woodford county, where they will reside in future. We regret to lose these popular people from our city, and congratulate Woodford county upon having acquired them.

Lafayette Day.

October 19 has been designated as Lafayette Day, and the school children all over the country will have exercises appropriate to the occasion, to keep alive the memory of this grand old patriot. The ceremonies look to aiding in the erection of a monument to Gen. Lafayette.

Appropriate ceremonies at our city schools.

Court Day Sales.

Mr. H. G. Davis made the following sales of stock on Monday, (county court day):

12 stock ewes at \$14.50 each.
5 stock ewes at \$2.50 each.
1 Jersey milch cow \$32.50.
1 Durham milch cow \$12.50.
1 Jersey steer \$24.
3 Jersey steers at \$16.66 each.
2 Jersey steers at \$18.50 each.
1 weanling calf \$10.

A Yarn Throughout.

The story has gone out from Kansas City, Mo., and flown all over the country, that Col. W. F. Cody (Buffalo Bill) will not be with his show next Tuesday, because of sickness. This is a MISTAKE and is NOT TRUE. Col. Cody WILL BE HERE. He was temporarily under the weather from overheat, but is now well and hearty again and is giving personal exhibitions every day as usual.

He will be here SURE.

At Home Again.

Engineer T. Fred Carter, with the rank of Lieutenant, U. S. Navy, was in the city on Thursday and made us a pleasant call. Lieut. Carter's family are staying near Spring Station and he is visiting there. He was on board the U. S. S. Brooklyn in the Santiago battle and gives thrilling accounts of how the thing was done. Every one remembers that the Brooklyn was hit thirty-five times by the Spanish shells, but Lieut. Carter says not a single shell pierced the armor plates of our vessels.

Arm Broken.

Master Rodger Johnson, son of Assistant State Auditor Frank H. Johnson, who has been attending school in Louisville, was exercising upon a horizontal bar in the gymnasium of the Y. M. C. A. in that city, on Tuesday, when he slipped and fell, breaking his right arm. Master Rodger has been very unfortunate in this respect as he fell from a pile of lumber at the saw-mill of Messrs. Dunigan & Nicol and broke the same arm in another place, summer before last. Dr. E. E. Hume attended

to the young man's injuries after he came home.

Good News.

The school children will be glad to know that Tuesday next (Buffalo Bill Day) will be a holiday, and they will not have to attend school. So they can get ready to see the big show.

Contract Let.

The Board of Prison Commissioners have let the contract for remodeling the dining room in the local prison to Mr. S. C. Cryer, of this city, for \$4,000.

Mr. Le Overwarth is the architect who drew the plans.

Fine Corn.

Mat. W. T. Gorham, of Stamping Ground, brought us a sample of fine corn on Monday, which he says was grown in one of the poorest farms in that region. One ear had 19 rows, one 22 rows and one 24 rows of corn, each and every row full, with well developed grains.

Major Gorham says the crop in that neighborhood will be the best for many years, as the good ground has produced equally as well, in proportion, as that from which this corn came.

To Deliver an Address.

The Second District Educational Association of Kentucky will hold a meeting at Madisonville, Hopkins county, Friday and Saturday, October 28th and 29th. A splendid program has been arranged. Among those who will take part in the work is Prof. McHenry Rhoads, of this city. He is down for an address on Saturday afternoon, and his subject will be "What Have We Done," an educational review of the State.

We have no doubt that those who attend will have a rich treat.

Carried Down Stream.
When a man creates in some difficult place in his working career, spurring himself to the effort to accomplish some critical passage in his life, he may, suddenly finds his health giving way and finds himself swept out of the saddle by the first strong current of danger—then the time when the man's nerves are at their lowest point.

It is a very simple though eminently scientific medicine. It is not a mere stimulant. Nor so many mild extracts. It requires to be given by the man himself, the most enormous source of vitality in the nutritive system. It enables the digestive and assimilating organs to reconstruct the blood abundantly and rapidly, so that the innately waste of tissue and nerve fiber entangled by hard labor is offset by a speedy upbuilding of fresh energy and strength.

A prominent and venerable Illinois physician, Dr. Vorwerth, D. S., of Fowler, Illinois, writes: "For Pierce's Golden Medical Discovery will prove an unfailing means of rescue and restoration. It is a very simple though eminently scientific medicine. It is not a mere stimulant. Nor so many mild extracts. It requires to be given by the man himself, the most enormous source of vitality in the nutritive system. It enables the digestive and assimilating organs to reconstruct the blood abundantly and rapidly, so that the innately waste of tissue and nerve fiber entangled by hard labor is offset by a speedy upbuilding of fresh energy and strength.

The quick constipation cure—Doctor Pierce's Pleasant Pellets. Never gripe.

Exceptional interest attaches to the Hungarian Czikos with Buffalo Bill's Wild West. They are descendants of the Huns, hereditary to the cattle herders from the plains of Hungary, who, in consequence of the marvelous service of their ancestors as flying cavalrymen, have, by royal edict, enjoyed the rights and exemptions of the minor nobility ever since 1605. Very picturesque fellows they are, daring riders, gallant fighters and wild as hawks. Until they started to come here they had never seen railway cars, and the new world is as full of themes for amazement to them as it is to the most savage of the red men.

DeWitt's Witch Hazel Salve has the largest sale of any salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazel Salve, the great pile cure. Tyler & Hemphill.

Mr. John Pierce, of Jacksonville, is visiting his parents, Mr. and Mrs. Isham Pierce.

A wedding will take place here in the near future. It is such an intense secret that nothing may be said about it except that the young lady is one of the loveliest girls and the groom is handsome and ambitious.

Mr. Sam Tracy's house is rapidly nearing a finish.

Mr. Buffin, of Christiansburg, visited relatives here this week.

Miss Ida Sanford is the guest of Miss Hallie Flynn this week.

A gentleman from D. C. Crutcher & Co.'s visited our school this week and made the children happy by giving to each of them a tablet and pencil.

We are under obligations to Mr. Ira S. Shy, Co. B, 18th U. S. Infantry, for a copy of the "El Comercio Diario de Lurdy," issued at Manila, Phillipine Islands. It is printed in both English and Spanish, and contains a number of advertisements of places of business in the city. We suppose it contains some real nice stories also, but we are like the fellow who undertook to read the

This paper is dated Tuesday, Aug. 16, and reaches us Sept. 27, having made the long journey, almost around the world in 41 days.

We congratulate our young friend upon his lucky escape while in battle, and thank him for his courteous remembrance of us.

Indian Outbreak.

The Pillager Indians of Bear Lake, Minn., have gone on the warpath. They attacked Brig-Gen. J. M. Bacon, and a force of about 100 men, on Wednesday, and inflicted considerable damage. The first report was that Gen. Bacon was killed with his command, but this was contradicted. Things are in bad shape and reinforcements are being rapidly pushed to the front.

Gen. Bacon is a Frankfort boy, and has won his way up from a private to a brigadier's place. He is a brave and dashing soldier.

Unfortunate Affair.

At a meeting held by the Sanctificationists at Rocky Branch Church, near Switzer, this county on Saturday night, Mr. John Snelling became involved in a difficulty with Mr. Bacon Bufflin, over Bufflin's attention to his (Snelling's) wife. During the trouble, Snelling was hit in the head with a rock, by whom it is not known. He drew his pistol and shot Bufflin in the head, killing him instantly.

Snelling came to town that night and surrendered himself to Sheriff Sitter and was lodged in jail.

He waived an examining trial and was held over in \$1,000 bond.

[DELAYED LETTER.]

Mrs. W. A. Lewis, son, James, and daughter, Liddle, visited relatives at Flat Creek last Saturday and Sunday.

We are sorry to report Mr. Robert Spalding is on the sick list this week.

There was singing at Mr. E. W. McDowell's on Sunday night. The singing was conducted by Mr. Oscar Clark and Miss Hattie. Those that were present were Misses Annie and Nettie, Misses Messer, Alonzo Lewis, Mr. Goins, Mr. R. C. and Mrs. Samones. Tuck was on hand, but not feeling much like a nightingale, did not and was not heard there and then.

We are glad to know Mr. Chas. Buford is able to be out again.

Some of the girls wondering where the Mocking Bird is? I guess the cage door has been opened and he has flown away and will never be heard of again.

This is no expense at all that would be disastrous to the proprietor, did he not know it would invariably cure. Many of the best physicians are now using it in their practice with great results, and are relying on it in most severe cases. It is guaranteed. Trial bottles free at J. W. Benson City.

Mr. Ben Goins and family have moved to Madison, Ind. We wish Ben success as he deserves it.

Mr. John King will move into the house vacated by Mr. Goins.

In our recent school election the Democrats won by a large majority. Hurray for Dan Moore.

It is with sympathy for the aged widow and children of Mr. J. P. Stockton that we report his death, which occurred Saturday 30th, at his residence, at Benson Depot. Mr. Stockton was 78 years of age. He had been in poor health for some time but was a man of wonderful resolution and persisted in attending to business even when nature deemed it unwise. The immediate cause of his death was overexposure of the system, which began Monday evening and continued more or less until he was exhausted. "Uncle Pre" was a great success. I am still making them at Mattern's.

was born in Old Kentucky and had lived near Benson station for many years. He was a general favorite with the church, a good neighbor and a Christian gentleman, and will be missed in the vicinity in which he lived. According to his own request he was laid to rest in a lot on his Benson farm, near the church.

The rock crusher at this place is a great help to us. The contractor, Mr. Dalton, is an enterprising young man from Hopkinsville. We will expect him again next season.

The Benson reservoir is at a low ebb just at present. Formerly we were blessed with an adequate supply of ice at all hours, but now ain't we in a pickle? The iceman's fingers are frozen off.

The improvement in the Devil's Hollow Pike at the bridge above the church is great and ought to be appreciated, especially by the Shelby county people who ride over our free turnpikes. It is to be hoped that Shelby county will soon have some fine pikes of her own.

There is much sickness in this vicinity. Not much use of doctoring the springs.

One Minute Cough Cure surprises people by its rapid cure and the fact that it takes it in large quantities without the least danger. It has won for itself the best reputation of any preparation used to-day for colds, tickling in the throat or obstinate coughs. Tyler & Hemphill.
